The history of our institution, Maharaja Srischandra College dates back to 1941, when the college was set up in a very busy North Calcutta neighbourhood Shyambazar by Maharaja Srischandra Nandy in memory of his father Maharaja Manindra Chandra Nandy, a renowned philanthropic Zamindar of Cossimbazar. An equally illustrious personality as his father, Maharaja Srischandra greatly contributed to the socio-cultural movement of Bengal in the early 20th century. Some local workers and academicians of the locality in which the college is situated encouraged Maharaja Srischandra to set up a college that would cater to the huge section of students residing in this locality. A proposal was accepted and the college was set up in 1941 by converting an old dilapidated building, which was previously functioning as a charitable dispensary. The building is now known as the common property of three separate colleges – Maharani Kasiswari
